We are pleased to announce that the Call for abstracts for the fourth European Conference on Domestic Violence is now open until 10.12. 2020. The conference will be held in congress centre Cankarjev dom, situated in the capital of Slovenia, Ljubljana: <http://ecdv-ljubljana.org/>.

The aim of the conference is to bring together researchers, academics, students, professionals, practitioners and policy-makers from Europe and further afield to share and build knowledge and experience on a wide range of issues concerning domestic violence. The ECDV views domestic violence as encompassing a range of different types of violence and abuse, for details please see conference themes: <http://www.ecdv-ljubljana.org/programme.html>. The Conference is rooted in an ecological understanding of domestic violence while recognising the primary role of gender as a significant factor both causing and sustaining abuse and violence. The official language of the Conference is English. Deadline for abstract submission is December 10th 2020. Notice of acceptance will be sent by March 15th 2021.
